

Cut along the outside edges of the flower petals. Then fold the petals on the dotted lines.

Cut along the outside edges of the flower petals. Then fold the petals on the dotted lines.

THANK YOU!

This printable is intended for classroom or personal use only.

You are welcome to show samples of these resources on your blog or website. I would love to see how you're using these for learning!

I am happy to answer questions and hear your feedback. Thanks for your support!

Happy Teaching!
